Why PrismaGuard?

- PrismaGuard is a top-quality, low maintenance stain and paint system that is backed by a 10-year limited warranty.
- Door frame systems are also covered by the 10-year limited warranty when composite materials are used.
- An extremely durable topcoat protects our PrismaGuard painted and stained doors and provides unmatched lasting beauty.
- Our Craftsmen's application processes provide an even, blemish free, "factory" finish.

Trimco's PrismaGuard Staining Process

brings the authentic look of wood to life with rich tones that add dimension to enhance wood grain doors.

1. We begin with the realistic wood grains of a Therma-Tru door.
2. A base coat provides an even, consistent color across the door.
3. A wiping stain enhances the base coat to reflect the natural beauty of wood.
4. A durable topcoat enhances the color while protecting against scratches and color fading.

STAIN COLLECTION
